President's Message

My fellow Rotarians of the Victoria Rotary Club it is a distinct pleasure and honour to serve as your President for the year 2009-2010.

Our club has had a distinguished past and been served by many dedicated presidents since its inception in 1913. The International growth of Rotary from these early years is demonstrated by the fact that there are now 33,000 Rotary Clubs in 170 different countries and the Rotary Club of Victoria, *Club 90*, is the senior club in our community with a history and wealth of contributions made to charitable causes and individuals.

The financial and service undertakings made by our Club are only achieved by the dedication of the members in generating monies through for example, the annual car raffle and other fund raising activities. It is this “*Service above Self*”, which distinguishes Rotarians in their contributions to their community. I therefore feel privileged to be a member of the club and in particular, to be serving as your President.

My hope this year is that the club can assist in benefiting vulnerable seniors in the Greater Victoria area. The economic climate has wrought havoc with the many very important programmes that have supported elder care in the past. Consequently many seniors who were dependant on personal contact with a care giver in their home on a daily basis are now denied this important function. Therefore, if Rotary, in association with other charitable organizations can provide some financial assistance in addition to personal contact with these elderly seniors a much needed service will be provided.

A major contribution was made last year to ensuring that children were provided a nutritious breakfast before commencing their studies. This has been shown to be a major contributing factor in improving the educational level achieved by students. In association with another charitable organization this programme was a resounding success and may be supported again this year if a suitable partner can be found.

During the present difficult financial environment the generation of charitable money is difficult and it is increasingly obvious that Rotary is in an enviable situation to obtain greater penetration into the community if we develop cooperative strategies between our Clubs. This was a factor identified by the Strategic Planning Group for our club and your Board will be investigating various options to determine if this is a viable solution in our community. Certainly association with other fund raising groups interested in charitable giving appears to be a must if reasonable levels of financial assistance are to be given to our major projects.

Whilst this year may prove to be difficult financially, Rotary as an organization, has proven its ability to rise against adversity through its determination to eradicate polio and other world wide projects, which at first appeared insurmountable. However if there is a will there is a way and, in my opinion Rotary has the will and the way. We should remember that our Rotary International President, John Kenny has adopted the theme “*The Future of Rotary is in Your Hands*”, and our District Governor Harold “Alex” Alexander believes that we all should be “*Fulfilling Dreams*”.

Let our Club live by these thoughts and ensure that we have “*FUN*” doing it.

Best Wishes to All

Keith Walker.

Welcome to Rotary !

You are a member of a worldwide organization of business and professional leaders that provides humanitarian service, encourages high ethical standards in all vocations, and helps build goodwill and peace in the world. Approximately 1.2 million Rotarians belong to more than 32,000 clubs in more than 200 countries and geographical areas.

The Rotary Club of Victoria was formed in 1913 when members of the Rotary Clubs of Seattle and Vancouver brought the idea to Victoria. The Victoria Club (#90 in the world) has undertaken literally thousands of local and international projects. Two well-recognized local projects were The Chamber of Commerce and what is now Tourism Victoria; our Club established both.

Why Join Rotary?

Membership in Rotary offers a number of benefits, including:

- Effecting change within the community
- Developing leadership skills
- Gaining an understanding of — and having an impact on — international humanitarian issues.
- Developing relationships with community and business leaders

Each Rotary club strives for a membership that is an up-to-date and progressive representation of its community's business, vocational, and professional interests.

The Membership Process

In most cases, a person being considered for membership is invited by a member sponsor to attend one or more club meetings to learn more about Rotary. The sponsor may then submit the name of the candidate to the club's membership committee. Others who are interested in membership, but do not know a Rotarian, can contact a club directly.

Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and in particular to encourage and foster:

FIRST: The development of acquaintance as an opportunity for service;

SECOND: High ethical standards in business and professions. This includes the recognition of the worthiness of all useful occupations and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD: The application of the ideal of service in each Rotarian's personal, business and community life;

FOURTH: The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

Avenues of Service

The term "Four Avenues of Service" refers to the four elements of the Object of Rotary: Club Service, Vocational Service, Community Service and International Service. Although the Avenues of Service are not formalized in constitutional documents, many Rotarians use this concept to describe the primary areas of Rotary activity.

Rotary's 4 - Way Test

One of the most widely printed and quoted statements of business ethics in the world is the Rotary 4-Way Test. It was created by Rotarian Herbert J. Taylor in 1932 when he was asked to take charge of a company that was facing bankruptcy. Taylor looked for a way to save the struggling company mired in depression-caused financial difficulties. He drew up a 24-word code of ethics for all employees to follow in their business and professional lives. The 4-Way Test became the guide for sales, production, advertising and all relations with dealers and customers, and the survival of the company is credited to this simple philosophy:

"Of the things we think, say or do:

Is it the truth?

Is it Fair to all concerned?

Will it build goodwill and better friendships?

Will it be beneficial to all concerned?"

What Is My Commitment As A Rotarian?

There are both time and financial commitments. Our club meets every Thursday at noon in the Union Club.

Rotary members are able to make up missed meetings by attending other Rotary Club meetings as visiting Rotarians. Make-ups can also be accomplished by attending club, local or district meetings including meetings of project committees of our club.

To help you attend make-ups the meeting times and locations of other area clubs are listed in this Roster.

Rotarians are entitled and encouraged to attend committee and board meetings. Board meetings are generally held at 4:30 the first Monday of each month.

Financially you can expect to pay an initiation fee, annual dues and lunch costs. Donations to Rotary charities you will hear about are your choice.

How is the Club Run?

The President and Board of six elected Directors are responsible for the smooth functioning of the club. The vice-president (who is a Director) is chosen by the President. He is responsible for day to day club operations in consultation with the President. The President serves as the Club's spokesman and oversees the club's operation in conjunction with the Board.

The six elected directors serve a two-year term. Three directors retire each year and are replaced by three new people. Directors are chosen by a nominating committee of four people elected each fall. Those elected, plus the President, Past President and President-Elect serve as the nominating committee. Six people are nominated to serve as Directors and in early December three are elected at a club meeting by secret ballot. Those directors start their term about seven months later commencing July first.

We choose our Presidents well in advance.

Eighteen months before a President takes office, that person is announced as President Designate at the same meeting as the next year's directors are elected. The President Designate is chosen by the nominating committee, as part of its mandate. However if the general membership at large wishes to elect someone else, they are free to do so, supported by 10 seconders. In that event the membership elects the President Designate. He then becomes President-Elect following July 1.

ROTORACT /INTERACT

ROTORACT VICTORIA

President 2008-9: TBA
(rotaractvictoria@gmail.com)

Past Presidents

2002-05 - Sarah Cape

2004-05 - Holly Seale

2005-06 - Salina Dewar

2006-07 - Micheal Creekmore

2008-09 - Megan Kent

The Rotaract Victoria activities can be found on their blogsite:

INTERACT ESQUIMALT HIGH SCHOOL

President 2009-10: Katherine Charlesworth
(katherine.l.charlesworth@gmail.com)

The Interact Club of Esquimalt High School will be focusing on the HIV/AIDS pandemic, as well as working on various local and international projects.

Some past projects and proposed projects include:

Victoria Breastfeeding Challenge

Homelessness survival kits

Sandwich saviours (lunches for the homeless)

Operation Santa's Satchel (toy and accessory drive for Russian orphans)

World AIDS Day awareness

Hunger Helpers (non-perishables drive for the Mustard Seed)

Masquerade Seniors' Ball (afternoon dance at local seniors' lodge)

The club also hopes to connect with other Interact Clubs in Greater Victoria this year to possibly organize a city-wide event and to raise awareness about Interact and Rotary in our community. The INTERACT web site is:

Director 58-60; President 70-71.

Digging Wells in Kenya

An International Service Project
supported by Club 90

Wells are financed by donations from Rotary
Clubs and concerned individuals.

A well can be installed for about \$2,000
